

**C.G. Jung Institute of Colorado**  
**FALL 2013**  
**STUDY GROUP IN JUNGIAN PSYCHOLOGY**

An ongoing monthly seminar providing an in-depth study of the substance of C.G. Jung's work—the how and why of his ideas, as well as practical applications. Each semester, participants will meet for four or five sessions under the tutelage of diplomate Jungian analysts. A variety of subjects will be taught, including structure and dynamics of the psyche, complexes and psychopathology, dream interpretation, and archetypes of the collective unconscious. The seminar is open to training candidates of the C.G. Jung Institute of Colorado and to the general public. It is a prerequisite for application to the Analyst Training Program. Participants must have some background in Jungian psychology and be in analysis at least two hours a month with a diplomate Jungian analyst with membership in the International Association for Analytical Psychology. \* \*\*
