

Fairy tales, Mythology and Dreams: Following the Archetypal Thread Fall 2017

A class offered by the C. G. Jung Institute of Colorado

Jungian psychology connects us to the rich and mysterious inner world that our culture so often discounts. This class will look at that inner world through an exploration of the archetypal dimension of the psyche. Analysts of the Jung Institute of Colorado will lead the discussions. This is an excellent opportunity to work with the members of the Jung Institute of Colorado, and the class is designed to be enjoyed by beginners as well as those who are “experienced” in Jungian studies. Classes are on Wednesdays.
